An Index to the Poems of Alfred Edward Housman

Part 1 A Shropshire Lad

Compiled and Arranged by
Yutaka Takeuchi

Preface

This index is to the poems of *A Shropshire Lad* by A. E. Housman (1859–1936). He was formerly professor of poetry in the University of Cambridge. He was the author of *A Shropshire Lad*, *Last Poems*, *More Poems*, and *Collected Poems*. This Index is the indispensable data to my report that was printed under the title of *A Poet: Drenched with his Disposition* in The English Literature in Hokkaido (No. 10, 1965), journal of The Hokkaido Branch of The English Literary Society of Japan.

Words marked are to be the key to know the relations about using words between A. E. Housman and W. Shakespeare who had an influence upon him.

The poet is the man of the definite article. —R. P. T. Coffin
